

# Board Member Voluntary

**CBB**  
Community  
Business Bureau

CBB is a progressive social enterprise organisation which generates income through the provision of services to the not for profit sector on a fee for service basis. We do not receive grant funding.

The CBB Board is responsible for the governance of the organisation, the setting of strategic directions and overseeing the performance of the organisation.

We are experiencing a period of growth with expansion interstate and several new business initiatives under development.

Expressions of Interest are sought from suitably qualified persons who have the skills and experience to play an active role on the Board during this exciting period of expansion. Whilst applicants with a range of experiences will be considered, we would be particularly interest in applicants with

- (a) legal qualifications and/or experience; business development experience and expertise, combined with;
- (b) understanding of and commitment to the values of the community services sector

**Initial enquiries** can be directed to Jan Lowe, Chair 0438 522 244  
or Andy Hagan CEO 0422 007 946.

Expressions of interest should be directed to Andy Hagan
