Electronic Devices

Salary packaging your new portable, rechargeable, electronic devices means you can have the latest technology while saving hundreds of dollars in tax! *

Electronic devices you can package include, but aren't limited to:

Laptops

Mobile phones
and tablets

Bluetooth
headphones

Smart
watches

How does it work?

If eligible portable electronic devices are used predominantly for work-related purposes, you can:

Once you have purchased the device outright – provide us with the receipt and we will reimburse the funds directly to your account tax free.

Good for you - Good for your community

Visit us at cbb.com.au

Things you should know

Portable and battery powered eligible electronic devices can be packaged on top of your standard salary packaging limit

The devices must be used predominantly for work-related purposes

You cannot include accessories or software

You can only package one type of each eligible electronic device per Fringe Benefit Tax (FBT) year

You can package a maximum of six eligible electronic devices per FBT year (cost allowance for electronic device packaging is unlimited)

Your employer must provide sign-off to package each eligible electronic device.

How to get started?

We're here to help! Once you've decided which portable electronic device(s) you want to package, contact our friendly team on **1300 763 505**. They will advise you of your salary packaging options and provide the relevant forms to complete.

You can also email us at customer@cbb.com.au if you have questions.
