

# Salary packaging

Increase your pay by 5-10%

## What is salary packaging?

The easiest way to increase your income without working longer hours is to salary package. Put simply, salary packaging is a way for employees to purchase a variety of goods and services, as well as pay bills (including mortgages or rent) using tax-free dollars. The end result is an increase in your take-home pay.

## How will I benefit from salary packaging?

Your additional take-home pay depends upon your annual salary. Below we provide some examples.

Annual salary	Annual benefit	Fortnightly benefit
\$25,000	\$1,702	\$68
\$30,000	\$2,842	\$109
\$35,000	\$3,721	\$143
\$40,000	\$3,905	\$150
\$45,000	\$4,419	\$170
\$55,000+	\$5,485	\$211

## How can I spend my tax-free money?

Once you've made the decision to salary package, you can use your tax-free money in any of the following ways:

### General living expenses

If you'd like to use your funds for general living expenses, then the CBB Salary Packaging Card is a good option. It can be used wherever Visa is accepted and has no annual card fees or account keeping fees.

### Pay debts

If you'd rather use your tax-free money to pay debts, you can set up regular repayments and we'll take care of the rest! Regular repayments can include:

Rent or mortgage

Personal loans

Credit cards

### Tax-free dining and accommodation\*

The CBB Meal Entertainment and Holiday Accommodation Card enables you to pay for a meal out, your holiday accommodation and even hire a venue for a special occasion using tax-free dollars.

This benefit enables you to salary package \$2,550 per year in addition to your normal salary packaging amount.

*\*This option is subject to your organisation's salary packaging policy*

## But it sounds too good to be true...

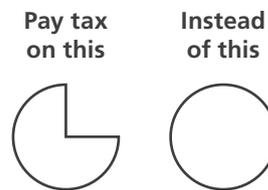

One of the most common things we hear from those new to salary packaging is that it sounds too good to be true. Rest assured, salary packaging is a government-approved employee benefit for certain types of not for profit organisations.

Employers who are Public Benevolent Institutions (PBIs) or Health Promotion Charities (HPCs) are permitted by the ATO to provide this benefit to their staff. Salary packaging guidelines are developed and approved by the ATO.

### How does salary packaging work?

SP = salary packaging

- 1 Your payroll sends your tax-free income to CBB.
- 2 You tell CBB which living expenses you would like us to pay or have us put it straight on your SP card.
- 3 You only pay tax on what's left of your income.
- 4 Because you pay less tax, you end up with more take-home pay.
