

Electronic Device Packaging

Save money on your next purchase

Electronic Device Packaging

You can salary package these electronic devices used for work-related purposes.

This benefit is on top of your standard salary packaging limit, enabling you to save even more tax each year.

How does it work?

Either pre-purchase your device (outright) or pre-save each pay period until you have reached the purchase price.

Visit our website to download the forms or call 1300 763 505 to find out more.

Please note: You are limited to one claim for each type of device per FBT year.

How do I get started?

To take advantage of this fantastic benefit or to find out more, call CBB on **1300 763 505**.

Electronic Device Packaging is subject to your organisation's Public Benevolent Institution (PBI) status and salary packaging guidelines. Fees and charges may apply.
