Novated leasing with StreetFleet

Salary packaged novated vehicle leasing allows you to save even more money by salary packaging the finance and running costs of your next vehicle.

Take advantage of a novated lease through our leasing partner StreetFleet, and we will assist you by salary packaging the lease repayments and all running costs from your gross income. This can potentially save you thousands of dollars in tax each year.

How does it work?

By salary packaging your novated lease you can pay for your lease and vehicle running costs with pre and post-tax dollars. This benefit is on top of your standard salary packaging limit.

You can salary package the car of your choice, including the make, model and colour. You will also benefit from StreetFleet's buying power, saving you even more!

What's included?

With a novated lease you are able to pay for the total running costs of your vehicle with pre-tax dollars, including:

Registration and insurance

Fuel

Repairs, tyres and maintenance

Roadside assistance membership

Things you should know

- ▶ Packaging a novated lease is on top of your standard salary packaging limit.
